Dear Club,  
I'm writing to tell your readers about the strangest – not to mention the most totally unexpected – shafting I have ever had. A couple of weeks ago I was out clubbing with my girlfriends. We were dancing together when a really fit bloke came over to us and joined in. Eventually, he paired up with my mate Sara, which left the rest

of us looking on with longing as this really hot guy wrapped his arms around her and practically made love to her on the dance floor. I admit that I was a little bit jealous seeing them together, especially when I ended up spending the rest of the night with a real deadbeat who had a bad case of halitosis.

A couple of days later I was travelling by train to visit a friend when I met up again with the good looking bloke from the nightclub. He was even hotter looking in the daylight, and, recognising me from the nightclub, he sat down beside me and began to make conversation.

Although we were getting on really well and he was making me laugh, I was still a little shocked to feel his hands beginning to move uninvited across my lap to the inside of my

**“Finally slid two fingers into my cunt, I shivered and moaned with pleasure.”**

thigh. However, my initial flash of outrage disappeared as I felt a slow, tingling warmth spread through my pussy.

The sexy feeling of his thigh pressed against my leg only served to turn me on more. I began to squirm a little in my seat, my dress started to ride up my thighs, and the tiny gusset of my thong became pulled up between my pussy lips. As the thin nylon of my thong began to rub against my clitoris, I began imagining what it would be like to have him between my thighs, his long, lean body thrusting as he plunged his cock into

me. Almost as if he had read my thoughts, he put his head next to mine and asked whether I fancied going somewhere: “a little less crowded”. I nodded, smiling, and he led me down the swaying train towards an empty toilet!

Pushing me gently into the confined space, he followed close behind me, his torso pressing into my back. There was hardly room in there for the two of us, but there was really no time to think about the practicalities as his hands were already squeezing my breasts from behind. I wriggled sexily against him as he toyed with the erect points of my nipples through the light fabric of my dress, raising it in the process. I was so horny I even rubbed

draw the long thick shaft of his rock-hard prick between my thighs. I spread them wider as the hot, rounded tip of his dick nudged its way along my slippery folds until it found the entry to my dripping pussy. I wanted it so badly that my tits were heaving and I could barely catch my breath. Pressing back on his cock I felt it slide inside me, opening me wide with its fat head and thick, rigid shaft. I began moving against his thrusts as he worked his cock inside me. He held both my tits in his hands as we rocked together, his prick pumping deep inside me with each rhythmic thrust. I was wriggling against him each time he entered me, my arse pressing hard up against him, trying to force his manhood as deep into my convulsing pussy as I possibly could and gyrating my hips so my pussy ground against the very root of his cock. I cried out as I came, hoping the sound would be lost in the racket of the train's engine. My cunt clung to his cock, gripping tightly around it, and my body shuddered as he rocked against me, his cock moving only slightly as

it hardened and swelled in the vice-like grip of my pussy walls.

I felt, rather than heard, him groan as he came, his cock pulsing hot spurts of jizz into my pussy, our fuck juices escaping around his rigid cock, then oozing from my cunt and trickling down between my inner thighs.

The feeling was delicious beyond description, and I only started to come back to earth when he withdrew his softening prick.

Pulling me around, he kissed me hard on the lips before zipping up and leaving me to straighten up my clothing. As I headed back to my seat I realised that I did not even know his name. Strangely, I didn't seem at all bothered by this, and although he was charming and attentive for the rest of the journey he still didn't introduce himself before we parted at my stop.

my almost-bare arse against the front of his trousers, and with a loud moan he unzipped and released his large erection. I could feel the ridge of his cock pressing against my buttocks, and my pussy lubricated and tightened as he ran his knob between my cunt lips. He was easily as worked-up as I was, and, feeling the massive size of his manhood, I certainly wasn't complaining. As he slid his hand down and pulled my thong aside, I parted my legs, making it easier for him to find his target. His fingers found the wetness of my pussy, and he slid them back and forth along the ridges of my fanny lips until I was practically trying to wriggle my wet love hole onto his fingers and suck them into me. When he finally slid two fingers into my cunt, I shivered and moaned with pleasure. Shuddering violently, I came off hard on his hand, the audacity of our behaviour increasing the thrill. I think the sheer naughtiness of fucking a complete stranger in a semi-public place turned me on more than ever before, but I have to give him credit for being a wonderful fuck. While I was still cumming, he continued to

Christi has had a curious porn career. Modelling aside, Christi burst onto the scene in various hardcore porno's, taking more than most of could give. Since then? Nothing but solo masturbation scenes and lesbian action. What gives?

"Oh, I had a blast making all those hardcore action films," Christi says in her cute American accent, "but I kind of got that out of my system. I didn't want to be a hardcore star where you have to get ruder and ruder. I thought I'd start with some intense anal and then put that aside."

Is there any chance we can get you to reconsider?

"Well, think of my really dirty films like bookends. When I come to the end of my career, I'm going to go out in fine, filthy style!"

**D**ear Total Recall,  
Picking up women in bars  
used to be one of my  
favourite things to do. You'd  
have all the anticipation of them saying  
yes to a drink and then all the fun  
of getting to know them better, and  
occasionally getting to know them  
intimately. So when I was flicking  
through some old copies of Club from  
my heyday, I came across the beautiful  
Cindy from Vol.38.01, and it brought  
back some very happy memories  
from those days, and there's only  
one thing better than a hot girl on  
a bar stool, and that's one bent  
over it instead!

Lily knows her way around in front of a lens, with some eye-popping films to her name, this American like to switch it up from time to time. "Yes, I do like posing for photography as well as films. Better, in fact, because when you're making a film you've got to act really horny and get off to cue, but when you're just being photographed you have to be a lot more disciplined – and that always drives me crazy! By the time I've finished I'm so desperate for a shafting I'm practically climbing the walls!" So what you're saying, love, is that you're really quite gagging for it by the time a shoot's come to an end, eh? "Too right! The thought of all those guys and girls getting off on my pictures is such a turn-on, I think I'd fuck almost anything if it had a pulse!" Good stuff. Erm, you don't mind if we hang about for a bit, do you?

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

## MY BIG FAT GREEK FUCKING

As someone who works 24/7, I am a great believer in office flings, as I have no time for anything else. My favourites have to be a bit of heavy petting in the stationary closet with the new temps or getting the accountant drunk at the Christmas party and shagging her over her desk from behind, a yearly event I might add.

Some of the stories I could tell you are good but none as good as Katie's, a work colleague of mine. She told me one of the horniest stories ever about her holiday in Greece. It gave me one of the hardest erections I've ever had, you know, the type that makes you think you could break bricks with it in Karate class.

She told me how on holiday she, her husband and his friend would go to the local barbers so her husband and his friend could get a clean shave and massage. One morning after a particularly heavy night they all went down to the barbers and Katie also decided to take the manager up on his offer of a massage. He took her to a bac rooms and asked her to remove her clothes and lay down on the table. At this point she expected to be offered a towel but the manager just left and said he would be back in a minute. Not knowing the local custom for this sort of thing she congratulated herself for remembering to put on a bikini

under her clothes before she left that morning.

As she started to strip down, the manager returned carrying a bottle of massage oil. He watched while Katie lifted her top and removed her trousers. Katie is an incredibly fit girl. Not the skinny type. She has great curves and a round little bottom that you would love to fuck all night. Whenever she dropped something in the office all the men would avoid picking it up for her just to watch her bend over and catch a glimpse of her g-string tighten around her crack.

She could tell by the way the manager was watching that he

“...fondling her pointed breasts and pouring the oil all the way down to her wet...”

was dying to get her oiled up and run his hands all over her. A bit nervous, she decided to play along. She laid on the table face down while the manager put oil on his hands. He started quite innocently by rubbing around her bikini. After about 10 minutes he got a bit more adventurous and untied the strings of Katie's bikini bra. “Is this okay?” he asked as he ran his hands along Katie's skin brushing against the side of her breasts. “That's fine,” she said, realising that he was getting more and more daring.

Katie told me that by this point she was very relaxed and was starting to get a bit turned on by the thought of a stranger touching her. She described how she could feel herself getting wetter. To tease him a bit she opened her legs slightly so he would be able to see her bikini moistening up. As soon as she did this he immediately moved towards Katie's tight cheeks to get a better look. He then put one hand on the back of one of Katie's knees and gently pushed her legs even further apart then untied the two strings on each side of her bikini bottoms and dropped one half between her legs revealing her tight arse. He picked up the oil bottle but instead of putting it on his hands he poured it onto

Katie's round cheeks making sure most of it dripped into her crack.

Katie knew what was coming and, still being a ‘back entrance virgin’ as she put it, was getting even wetter with the prospect of being finger fucked by another man while her husband was only a few doors away. With one hand on each of her plump cheeks he had now started to move the oil around. Positioning one hand on her lower back with a bit of pressure, he slid the other hand in between both cheeks spreading the oil and moving inside her legs brushing over her soaking wet lips and tight bum hole. “Don't mind do you?” Katie didn't say anything, just opened her legs a bit wider and pushed her back up further to invite him in. As she did she felt two fingers slide inside her and a very large thumb push into her arsehole.

As her masseur moved his fingers and thumb in and out she could feel him going deeper and deeper in. He then stopped, much to Katie's disappointment, and asked her to turn over. Throwing her entire bikini to the

floor, she turned over as slow as possible, making sure he saw the entire package. He could now see how hard her nipples were. As she laid on her back he went for the oil again and poured it over her, fondling her pointed breasts and pouring the oil all the way down to her wet snatch. Wanting to be finger fucked again, Katie then grabbed his hand and guided it back towards both her aching holes. As he finger-fucked both entrances, using both her hands she grabbed his wrist and used it as her own personal sex toy fucking herself in both holes as if she had two vibrators. She finally had to let go and come all over his fingers.

Fully satisfied with the service given she then got off the table and leaned over it with her arse pointing towards the manager. "Ready for your tip?" He wasted no time in taking out his rock hard cock and inserting it into her bum. With all the excitement she could feel he was ready to burst as soon as he entered her. Just before he was about to come in her arse she pulled away and placed his cock in her mouth. She was also a 'swallowing virgin' so she thought now was the time to lose that title as well. As he came, Katie wanked him off to get every last drop of his spunk into her mouth. She told me she liked the taste more than she thought she would. The best thing was that when they'd finished, Katie's husband paid as a treat for her!

By the time Katie finished telling her

story I was aching for a fuck and was trying to hide the bulge in my trousers under my desk. Katie being such a good friend, and having acquired a taste for spunk, offered to relive my problem in the staff toilets – but when we got there told me she was only joking and I should just have a wank instead!

#### NIC DICK!

Thanks for publishing my last letter which came as a total surprise to my very pleased husband Nic and gave me a real buzz. It also got me into a whole lot more backdoor

**“...his rock hard cock and inserting it into her bum.”**

trouble...

Nic was again working away from home when he read my letter in 'Peaches' and he left me an extremely graphic and suggestive message on our answerphone. Now I know I should have wiped it there and then but I kind of liked it and then of course the inevitable happened. Fortunately it was my friend Jill who played the tape back. We had just got back from shopping and I was fixing a coffee whilst she checked our answerphone for a message she was expecting from her boyfriend.

I tried to laugh it off but it was pretty juicy stuff and naturally Jill was more than intrigued. Threatened with violence, I had to confess what we'd done and showed Jill what I'd written in Club. She read my letter in silence then declared that it was the raunchiest thing she'd heard in ages and asked me where she could find a man like my husband.

When Nic got home ten days later I was longing to be back in his arms and aching to have his cock up my arse again – I wanted my baptism confirmed! He was a little surprised when I suggested that we go out for a drink but his mood lifted when we bumped into Jill at our local especially as we were feeling particularly flirty that night.

Jill shared a minicab back to ours for a nightcap and as we were going up in the lift to our flat we started snogging in front of Nic. He could only watch amazed

as our hands explored each other very suggestively in front of

him.

Once inside, the atmosphere was electric. I felt incredibly randy and not wanting the moment to pass, I turned Jill round to face Nic, slowly unbuttoned her blouse and unzipped her skirt from behind. As her blouse slipped from her shoulders, and she stepped out of her skirt, my left hand unhooked her bra whilst my right slid beneath the fabric of her cotton panties.

Nic needed no encouragement to join in and soon we were all on the sofa, him giving Jill's pussy a good seeing to with his tongue as he thrust his cock deep inside me. Then Nic pulled out of me, flipped Jill over onto her knees and slammed his rod right into her from behind. As he pounded her I grabbed her buttocks, spread them wide and teased her arsehole with my tongue. Jill's moans became more urgent the deeper I delved and it was obvious from her noisy enthusiasm what she wanted.

When Nic slipped out of her pussy, Jill reached behind her with both hands and with her fingernails digging deep into the goosepimpled flesh of her buttocks, spread her cheeks as wide as they would go. "In my arse," she hissed, then gasped as Nic's knob nuzzled against her gaping hole and eased inside. As he did so I slid under Jill and rubbed her juiced up pussy with eager fingers. Bit by bit, as Nic's cock breached Jill's tight rounded bottom, she rocked slowly back to meet him. Nic's thrusts grew firmer and deeper and she began to gasp with pleasure. Slowly Nic built up speed until he was slamming into Jill's willing arse like a jack hammer. Then suddenly she rolled her eyes, let out a long, shuddering moan and her whole body spasmed as she came, spraying my face as I worked furiously at her clit beneath her.

After a brief pause for a fag and a quick glass of wine Nic knew it was my turn to get bum-fucked. In one beautiful scything stroke he thrust home, right up to the hilt and I have never felt so fantastically filled and utterly ravished before in my life. After all that build up it only took about four deep strokes before I screamed the house down as I came and then lay there on the sofa grinning but totally exhausted.

**J**ust look at those cushions! Have you ever seen anything so hideous? Not even that fucking foppish fool Lawrence Llewellyn Bowen could find any redeeming features in them, surely. So we reckon it's a bloody good job they've got the divine Lacey Jay crawling all over them wearing next to nothing. Otherwise, we would have called a house clearance firm and had them taken away sharpish. But, as with most things, the cushions melt into the back end of our mind (never to return), once Lacey unhooks her bra.

**H**ave you heard the news? The Breast Wars are officially over, and Nicole Aniston has won! With a set of paps like hers, the rest of the competition might as well just pack up and go home. "I do love my boobs," confesses the smoking American. "One of my absolute favourite things

is playing with them and making my nipples rock hard. Do you know, they're so sensitive that I can almost make myself come simply by touching them?!" Which is great news by anybody's standards. No doubt the sight of Nicole playing with her exceptional breasts could make a few other people come as well.

What our well-placed moles are telling us this month...

# DOWN THE WIRE

## GARLIC GATEWAY!

The old tradition of smuggling seems to be striking out new horizons in this modern age. Not satisfied with drug ring syndicates, smugglers are turning to more unusual items that can produce lucrative returns. Swedish state prosecutors claim to have cracked one of the largest garlic smuggling

rings. The two Britons arrested are said to have made millions by smuggling Chinese garlic out of Norway and into Sweden. The smuggling of garlic is advantageous due to a 9.6% tax imposed by the EU, making the neutral non-EU country of Norway the perfect trafficking zone for these culinary antics. You wouldn't want this lot breathing on you, that's for sure!

Is it my poo bag from earlier?

## CHEESY TRAIL!

Hansel and Gretel were playing it safe with the breadcrumbs, why not opt for an invigorating cheesy Cheetos trail, you could sniff your way back instead? Deputies in Kershaw County arrested Austin Lee Westfall Presler for a raid on a general store. After smashing his way in, it's reported that cigarettes' and beer were amongst the stolen items, however on leaving the store, Presler left a unique parting gift. Before exiting the store, Presler opened a fatal bag of Cheetos that would lead to his timely undoing.

Leaving behind a cheesy trail leading all the way to his front door, Presler was found by police ensconced with the stolen items. Poor chap, he just couldn't resist those cheesy puffs!

## THE SOFA JOB!

Not on my watch punk!

### The Rules of Burglary:

1. Carefully select the items you wish to take. 2. Place the items in the back of your chosen getaway vehicle, making sure the stolen items are fully in and the doors are firmly shut. Clearly this three-man gang didn't read their handbooks! The only thing missing from this attempted robbery, caught on CCTV, was a Benny Hill soundtrack. The three men struck at Northampton Sofa King, haphazardly loading two £400 sofas into the back of a van before attempting a getaway with the doors wide open. Quick-thinking manager Justin Hallett briskly hauled both sofas from the back of the van before the men drove off. Perhaps a different line of action next time?

"Everyone likes different things, just to make it more complicated. But in general, I'd say the key thing is variation. Lick a little, rub the clit, suck on the pussy lips, vary the speed, and move your tongue and mouth about to cover the whole pussy. I've had guys eating me, and they're just licking the same part over and over at the same speed. I'm like, 'Hey honey, do it properly or don't do it at all, okay?'"

## GIRL TROUBLE

must admit that I find it strange that so many girls these days are willing to admit to their interests in other girls. In my day (I'm 38 now) I would never have told anyone about

my personal desires, except to say that I thought so-and-so man was pretty fit. Of course it would have been quite nice to be open about being bisexual but it just wasn't trendy then and would have led to all sorts of gossip and loss of friends. I've even got an 18-year-old niece who tells everyone quite openly that she has a girlfriend as well as a boyfriend and I can't make my mind up whether I think she's being brave or just plain bonkers!

Anyway, the reason I'm writing this letter is to tell you about how, back in the 1980s, girls like me had to go about getting girls in a much quieter way. When I was 19 I didn't know any girls at all who were into girls as well as boys. I knew of an older woman down my street who was rumoured to be a lesbian but I didn't care to find out much about her. At the time, I'd had a boyfriend, Colin, for about two and a half years. We had done plenty together sexually (though never in a bed, just in fields and in my Dad's garage). He'd gone through all the routine of feeling my tits, then fingering me, then getting as far

as sucking my tits and eventually getting me down on some soft grass behind some trees and giving me my first length of lovely cock. Strangely enough, it took me about another six months to graduate to actually wanking Colin off then eventually putting his dick in my mouth. I thought it was all great fun and went about most days feeling sticky in my knickers at the thought of getting Colin's cock inside me. But even then, even when things were going well and I was having my first taste of sexy fun, I knew there was something missing... like an orgasm, for one thing!

I knew I should be getting a bigger feeling from sex than I was. I knew from magazines that Colin was getting all the big fun and I was missing out. It wasn't his fault though. I wasn't really relaxed enough with him to really explore my pussy as much as I'd have liked him to. I knew I wanted a tongue inside me, licking my pussy lips and sucking on my hard little button. I knew I wanted to feel more than fumbling amongst my pubes and a forefinger jabbing at my bum hole! In short, I knew that I wanted to feel someone else's hands in my pants – a girl's hands!

To anyone who hasn't had these feelings about being with another girl, it's hard to explain the craving I got for a girl's confident touches, familiar as she would be with my every nook and cranny. I was fighting myself all the time, trying to figure out why Colin wasn't the answer to my sexual prayers; desperate to know why I thought that work friends like Kerry or Jackie would make better lovers. I even tried being unfaithful to find out if another boy could be the answer but I just ended up feeling slutty as I begged him to bend me over a dustbin in some back alley and fuck me from behind. Don't get me wrong, it was still a

thrill, and this guy was good at fucking his length in and out of me in a way Colin is probably still dreaming about, but it finally confirmed to me that I was going to have to either put up, shut up or find a girlfriend!

Kerry would have been my first choice out of the girls that I knew. Not that she was the best looking out of the two girls that I was working with. In fact Jackie was much more the babe and the body, but I just figured that Kerry, being more friendly and touchy-feely, might be my best bet.

As it turned out I couldn't have been more wrong! I went out with Kerry one night for some drinks, we got very drunk and the subject drifted to sex. Kerry said she wasn't getting it off her boyfriend and was looking elsewhere for action. She was really graphic about what she'd been fantasising about, like getting her neighbour's son to fuck her. She said how she'd like to catch him wanking on his sofa while his parents were out and go down on him, sucking his cock till he came in her mouth, then get him all hard again and slip her slick fanny down over him and ride him till she came. Then she wanted the father to come in and catch them both at it and join in, fucking her from behind while she sucked the son off again. She even said she'd like to try two-up! There was never any mention of gay-girl leanings but I was so pissed I didn't see any harm in trying it on, more fool me!

"I wish I was getting fucked by that boy next door tonight when I go home instead of climbing into bed with that fat boyfriend of mine and having to beg for a lick-out," she moaned, kind of laughing, kind of not.

"There are plenty of other people who'd have you," I said, laying my hand across hers. "Yeah? Like wh..."

Kerry didn't even finish the word. She looked down at my hand on hers and in an instant knew what I was talking about. She sobered up faster than it took her to get her

**“She wasted no time in finding my clit, then slipping two fingers inside me.”**

was to skive off work. I stayed at home saying I was sick for about a week and a half before, finally, there was a knock at the door. I opened it, wearing just my T-shirt and shorts and cosy socks just in case it was someone from the HR department trying to find out if I really was sick or swinging the lead. Instead it was my other work mate, Jackie. I was horrified! I knew she'd come round to laugh at me and didn't want to let her in.

“It's okay, M, I haven't come round to take the piss but I think we should talk. There's a lot of shit flying around at work and I think I can help you sort it out,” she said kindly.

We went through to the living room but my Mum was there watching daytime telly so I

suggested we go upstairs to my bedroom. I knew this was madness as this was only going to add fuel to the fire if Jackie wasn't on my side, but I had no obvious choice. It was better than my Mum finding out I was into girls!

Once in my bedroom I sat on a chair and Jackie sat on the bed. Now, I think you all know where this is going or I wouldn't have written you this letter, but it's still just as thrilling for me to recall this crazy, sexy situation as it is, hopefully, for you to read it! So please read on...

“Mia,” said Jackie, lying back on the bed and kicking her shoes off, “Kerry came into work last Monday and told me you tried it on with her! She said you wanted to snog her in a nightclub and said you loved her! She's telling everyone you're gay...”

I was mortified. Not only had she told the world I'd made a lesbian pass, she'd told them a load of

bullshit too that made it sound ten times worse! “I didn't try and snog her, and I don't ‘love’ her, as she puts it,” I blurted out, “and we were in a pub not a fucking club!”

For a moment Jackie looked at me with her big brown eyes and furrowed her soft brow. Then she burst out laughing! “Fucking hell, M, I don't think it matters WHERE it fucking happened! Pub or club is the least of your fucking problems!”

I stared back at Jackie in total disbelief, what a bitch, I thought, she has come round

handbag and her coat and stormed out of the bar saying something about “bloody queer”.

I was distraught. Not only had I lost a friend but I'd fucked my work situation too. It's one thing for everyone to go about saying that you've tried it on with the boss or the post boy. It's entirely another for them to know you've tried to fuck another girl in the office!

The only way I could deal with it

# “I raised my knees and opened my legs wider to allow Jackie to lick me deeper...”

to take the piss. Then slowly, the more I looked at her pretty face laughing at me, I began to see what she meant, the whole madness of the situation hit me and I started laughing too! I jumped onto the bed with Jackie and hugged her. “I’m so glad you find the funny side of it, you bitch!” I laughed. “I’m fucked! I haven’t got a job and I haven’t got a girl to shag!”

I knew I was being a bit brave blurting this out but my feelings for girls were out now and I felt relieved to be able to tell Jackie openly. Then it happened...

Slowly, I began to realise that Jackie wasn’t laughing anymore and the friendly hug was becoming an embrace. I didn’t dare move as Jackie’s hands moved up and down my back, stroking my hair and holding me to her lovely body. “Why didn’t you ask me?” she finally said after what seemed like a long, long silence, during which the only sounds were our breathing getting heavier and the rustle of my T-shirt being stroked up and down my braless back. “I can’t believe you fancy that slapper over me...” she continued, almost whispering the words into my ear.

I couldn’t believe what I was hearing! There I was, lying on the bed with the most beautiful girl I knew, being gently caressed and asked, basically, if I fancied her. I knew then that my years of waiting were over; I was going to be made love to by another girl.

“I didn’t know,” I said, rather unnecessarily.

“Well we’d better make up for lost time then,” said Jackie and with that she started

to divest me of my T-shirt. As I sat there topless in front of her, she reached out a hand and touched my right boob, then leant in and kissed me on the lips. The kiss was so gentle at first, then began to be more urgent as her tongue forced its way into my mouth. The rush of sensations to my head and my pussy made me light and airy. I was finally kissing another girl – and it was brilliant! Better than even I’d expected!

We began to progress. I helped Jackie out of her jacket and blouse, then she stood to drop her skirt to the floor. We lay on the bed together, kissing and caressing, me in my sloppy shorts and Jackie in a pair of tight white M&S knickers. This was bliss – and it was just about to get better as Jackie slid a hand inside my shorts and snaked her way down through my soft pubes to my now wet slit. I eased my legs open to allow her access to my most sensitive parts. She wasted no time in finding my clit, then slipping two fingers inside me. She began to bring me off and I was aware of making her hand wetter than I’d ever made Colin’s!

“Do you like that, gorgeous?” whispered Jackie. “I can smell your juice from here. I’m going to make you come. By the feel of things it’s not going to take me long...” And with that she began her descent

towards my wet pussy. Stopping off briefly at my tummy button to dip her tongue inside, Jackie kissed her way down to the fringes of my pubes, winding her tongue in the hairs (no self-respecting girl would be seen naked with anything less than a full growth of carpet between her legs in those days!) and kissing the softness. Jackie breathed heavily as she made love to me and I could feel her hot exhalations on

my full pussy lips, which almost opened for her inquisitive tongue.

At first she licked slowly up and down the length of my open slit, then probed with her tongue between the folds of flesh. I writhed on the bed, closing my eyes and saying a silent ‘thank you’ to whoever it is up there who’d given me this gorgeous girl to fuck me so beautifully and passionately. I raised my knees and opened my legs wider to allow Jackie to lick me deeper and harder. This was pure heaven!

And then I began to come. My eyes seemed to roll back in my head and a feeling of unrecognisable intensity made me at once ragingly hot and chillingly cold and shaky all over. I sometimes read in your magazine the exclamations of a girl as she comes and it sounds too good to be true. My climax started with a deep “Uuuuurrrgh”, continued with a little agonising squeal and ended with a gasp that took every last particle of air from my lungs. I’d finally been fucked by another girl and I’d finally been totally fucked in the head too!

As the day progressed I was introduced to the strong and quickly-acquired flavours of female come as I learnt to lick Jackie out the way she had licked me. I sucked her boobs, kissed her bottom, snogged her for hours and fingered her every time her pussy came within reach as we writhed about on the bed. God only knows what my Mum thought we were up to for all that time!

I never did return to my job. I was just too embarrassed, but it meant that it was far easier to continue going out with my new girlfriend without anyone suspecting. I even carried on with Colin for a while too, getting the best of both world’s, before finally thinking it was unfair on him... which was about the same time Jackie and I started using a strap-on (a fairly primitive one at that) so I could still enjoy a good length.

After a couple of years even Jackie and I drifted apart. I had been her third girl (she'd met the previous two at a gay disco!) and her first proper girlfriend. We were both eager to have more lovers and I moved away from my home town in Yorkshire to Manchester where I started fucking other men and women. Like I said at

the start of my letter, not everyone knows that I like to fuck girls – especially at my new job! – but I don't think I'd be half as bothered if more people did find out these days. I just

wish I was 19 again and able to fuck a few more of the openly bisexual babes I read so much about!  
*Mia, Manchester.*

If Club were forced to give out just one 'Order Of Merit' award, then it would have to be for Marina Maya's damn near perfect pussy. Not that there's anything wrong with Marina's shapely and suckable boobs. And her bum's no slacker either. But when you see a pussy like that you just know it's a class act. We asked Marina what she thought her best asset was, expecting her to come over all girlie and witter on about her personality. Know what?" she said. "My love hole." Blimey, these newbies are forthcoming nowadays!

**Brooklyn**   
PHOTOS: TWISTYS

**A**s a days worth of shooting drew to a close Brooklyn Chase, with only a robe for modesty patted the space on the sofa next to her and beckoned me over for a tête-à-tête. And after an in-depth conversation about Adult industry politics, things took a spicier turn, all for the better I'm pleased to say, as the newly single Brooklyn dished the dirt on her recent exploits.

"It feels like I've been on one date after another; I

had three last week, and I banged every one of them. Hey, don't judge! A girl's got needs, and besides, they were all super hot. Plus, I just can't help myself when I get horny, the blinkers go on, and I just want to fuck there and then."

We certainly don't judge here at Club, your honesty was just a pleasant surprise. Brooklyn turns out to be the best kind of woman there is, a woman of action!

**W**e caught up with Ava Dalush to talk bathrooms and cost-cutting.

"I always like to give myself a good rub down there when I'm in the shower," giggles dirty Ava. "But the rubbing does tend to go on a bit too long." Still, it doesn't look the worst place on earth to have to spend some time. Your bathroom, that is. Very nice job, if we may say so.

"Do you like it? I got this local bloke to do it and when he'd finished, it looked absolutely fantastic. But when he handed me the bill, I almost fainted. It was absolutely massive, and I didn't have a clue how I was going to pay for it. So I had to think of something." And that something was?

"A blow job, actually. I called it a nosh for less dosh. He liked that... and it seemed to do the trick just fine." You haven't got any other odd jobs you need doing about the place at the moment, do you Ava? We have to say, our rates are very unreasonable.
